**MARCH COURT PROCEEDINGS.**

(Continued from first page.)

The trial of Harry and Walter Barnhart, charged with causing the death of their cousin Arthur Barnhart—all of Bethel township occupied the attention of the Court beginning with Tuesday morning.

In the dusk of evening on the 14th day of last October, Arthur accompanied by his sister Belle, and Miss Viola Shives, were returning to Arthur's home after having spent the day picking apples on Frank Field's fruit farm. They had left the main road and entered a lane a short distance, when Arthur heard a call asking him to return to the road. Doing so he met his cousins Harry and Walter who were returning from Hancock, and without much ceremony Harry and Walter proceeded to "do Arthur up." After they were through with Arthur, they left him lying in the road and he was later found wounded and bleeding and almost dead. Physicians were called and they found that Arthur had been slashed with a knife or other sharp instrument—one slash near the heart, one across the abdomen, and a stab wound in one of his thighs. Later Arthur took pneumonia and death came at the end of 47 days.

Harry and Walter were arrested and confined to the local jail to await trial at this term of court. The prosecution was conducted by District Attorney Kirk assisted by John P. Sipes. The boys were defended by John R. Jackson and ex-Judge Longenecker. It took the time from 9 o'clock Tuesday morning to half past two in the afternoon to agree upon a jury, and at that hour the first witness was called. The court room was packed to its limit with persons eager to hear the evidence.
